Shake Well Before Using

**GENERAL INFORMATION:** NitroSR 10-0-10 Plus 0.5% B is a slow-release foliar fertilizer that derives its slow-release properties from methylene urease (estimated release pattern is 10–14 days). NitroSR 10-0-10 Plus 0.5% B is recommended for crops such as corn, soybeans, cereal grains, vegetables, and tree fruit. Contact should be avoided with strong acids or aluminum, mild steel, and brass. One gallon of this product contains 0.05 pound of elemental Boron, 1.0 pound of Nitrogen, and 1.0 pound of soluble potash. 25% of the Nitrogen in this product is slow-release. NitroSR 10-0-10 Plus 0.5% B is intended as a supplement to a regular fertilizer program and will not, by itself, provide all the normal nutrients required by agricultural crops.

**MIXING INSTRUCTIONS:** Put 1/2 to 2/3 of total desired water volume in tank. **1.** Add pesticide(s) if desired and agitate until thoroughly mixed. **2.** Add desired amount of NitroSR 10-0-10 Plus 0.5% B and agitate until thoroughly mixed. **3.** Add adjuvant(s) if desired and agitate until thoroughly mixed. Fill tank with remainder of desired water. A jar test is recommended for evaluating compatibility of NitroSR 10-0-10 Plus 0.5% B with multiple product mixtures.

**USE RATES (DRIP/GROUND/AERIAL):** NitroSR 10-0-10 Plus 0.5% B can be used for drip irrigation systems, ground, and aerial applications. **Corn (Field, Sweet, Silage):** 1–3 gal/acre at V3 to V8. **NOTE:** If product is applied in conjunction with fungicides or insecticides, decrease application rate to 1–2 gal/acre at VT to R1. **Soybeans:** 1–3 gal/acre at V6 to R3. **Cereal Grains:** 1–3 gal/acre at stage 2 to stage 8. **Vegetables:** 0.5–2 gal/acre. **Tree Fruit:** 1–3 gal/acre in 125–150 gallons of water per acre. **APPLICATION TIMING:** Cherries, prior to fruit set; peaches and nectarines, at bud swell to early bloom; and apples, prior to fruit set or post-harvest.

**NOTICE:** Some crops may be injured by the application of Boron, and excessive amounts may be toxic.

**PRODUCT SHELF LIFE:** 12 months

**KEEP OUT OF THE REACH OF CHILDREN:** Avoid contact with skin, eyes, and clothing. Avoid breathing spray mist. Wash hands thoroughly after use. **Personal Protective Equipment:** Wear long-sleeved shirt and long pants, socks, shoes, and gloves.

**FIRST AID: If on skin or clothing:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 minutes. **If in eyes:** Flush eyes immediately and thoroughly for at least 15 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eyes. **If swallowed:** Call a doctor or poison control center for treatment advice. The national poison control emergency hotline telephone is 1-800-222-1222. Have the person drink a glass of water if able to swallow. Do not induce vomiting unless told to do so by the doctor or poison control center. Do not give anything by mouth to an unconscious person. **If inhaled:** Move the person to fresh air. If the person is not breathing, call 911, then give artificial respiration, if possible.

**STORAGE AND DISPOSAL:** Do not contaminate water, food, or feed by storage and disposal. Store in a cool, dry, locked area out of the reach of children. Protect from excessive heat or cold. Triple-rinse and dispose of container in accordance with local, state, and federal regulations.

**CONDITIONS OF SALE:** Seller warrants that the product contains the ingredients in the amounts stated on this label. THIS WARRANTY IS EXPRESSLY IN LIEU OF ALL OTHER WARRANTIES AND REPRESENTATIONS EXPRESSED, IMPLIED, OR STATUTORY, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR USE. Timing, rate and method of application, weather and other conditions, mixtures with chemicals not specifically recommended on this label or any accompanying written recommendation are beyond the control of Seller. Buyer assumes all risks of use, storage, and handling of this material not in strict accordance with directions given herewith. In no case is Seller liable for consequential, special, or indirect damages resulting from the use or handling of this product. Buyer further agrees in the event of damages arising from the use of this product to accept a replacement of the product or a refund of the purchase price of the product, at Seller's option, as full discharge of Seller's liability. No one is authorized to make any other warranty, guarantee, or directions concerning this product, and no such warranties, guarantees, or directions shall be valid or binding upon Seller.

**FREEZING TEMPERATURE:** 32° Fahrenheit (protect from freezing)

**WEIGHT PER GALLON:** 10.03 Pounds
