MICROPOWER®

A Complete Micronutrient Source

GUARANTEED ANALYSIS

Boron (B)	0.50%
Manganese (Mn)	3.00%
Molybdenum (Mo)	0.05%
Zinc (Zn)	1.00%

DERIVED FROM: Boric Acid, Manganese Sulfate, Sodium Molybdate, and Zinc Sulfate

Shake Well Before Using

GUARANTEED AND DISTRIBUTED BY

NET CONTENTS 2.5 GAL

GENERAL INFORMATION: MicroPower can be used on soybeans, corn, cereal grains, fruits, and vegetables. It delivers Manganese, an essential element for many plant functions, and other vital nutrients, and organic acids. However, Manganese can get tied up in the soil by off-balance pH, organic matter, and some herbicides such as glyphosate. Apply MicroPower as a foliar application to supplement Manganese and other important nutrients to plants during early growth stages.

MIXING INSTRUCTIONS: Put 1/3 to 2/3 of total water volume in tank. **1.** Add pesticide(s) if desired and agitate until thoroughly mixed. **2.** Add MicroPower and agitate until thoroughly mixed. **3.** Add adjuvant(s) if desired and agitate until thoroughly mixed. Fill tank with remainder of desired water. A jar test is recommended for evaluating compatibility of MicroPower with multiple product mixtures.

USE RATES (FOLIAR/AERIAL): FOLIAR: Corn: 1–2 qt/acre at V4 to VT. Soybeans: 1–2 qt/acre at V3 to R3. Cereal Grains: 1–2 qt/acre at stage 2 to stage 8. Tree Fruit and Vegetables: 1–2 qt/acre as part of a regular spray program. **AERIAL:** 1–2 qt/acre with a minimum of 2 gallons of carrier per acre.

NOTICE: Some crops may be injured by the application of Boron, and excessive amounts may be toxic. Application of fertilizers containing Molybdenum may result in forage crops that contain levels of Molybdenum that are toxic to runniant animals.

WARNING: Causes skin irritation. Causes eye irritation. PREVENTION: Wash face, hands, and any exposed skin thoroughly after handling. Wear protective gloves, protective clothing, eye protection, and face protection. **RESPONSE: If on skin:** Wash with plenty of soap and water. If skin irritation occurs, get medical advice or attention. Take off contaminated clothing and wash it before reuse. **If in eyes:** Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do. Continue rinsing. If eye irritation persists, get medical advice or attention. See safety data sheet for further details regarding the safe use of this product.

STORAGE AND DISPOSAL: Store in a well-ventilated place. Keep cool. Store locked up. Dispose of contents/container to a licensed hazardous-waste disposal contractor or collection site except for empty clean containers, which can be disposed of as non-hazardous waste.

CONDITIONS OF SALE: Seller warrants that the product contains the ingredients in the amounts stated on this label. THIS WARRANTY IS EXPRESSLY IN LIEU OF ALL OTHER WARRANTIES AND REPRESENTATIONS EXPRESSED, IMPLIED, OR STATUTORY, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR USE. Timing, rate and method of application, weather and other conditions, mixtures with chemicals not specifically recommended on this label or any accompanying written recommendation are beyond the control of Seller. Buyer assumes all risks of use, storage, and handling of this material not in strict accordance with directions given herewith. In no case is Seller liable for consequential, special, or indirect damages resulting from the use or handling of this product. Buyer further agrees in the event of damages arising from the use of this product to accept a replacement of the product or a refund of the purchase price of the product, at Seller's option, as full discharge of Seller's liability. No one is authorized to make any other warranty, guarantee, or directions concerning this product, and no such warranties, guarantees, or directions shall be valid or binding upon Seller.
