GENERAL INFORMATION: Spreader 910 is a nonionic surfactant adjuvant. It is designed to use with pesticides that require a nonionic surfactant. It may also be used with most insecticides, herbicides, fungicides, desiccants, and defoliants. Spreader 910 increases contact activity through faster wetting, aids in penetration, and provides uniform coverage of sprays.

MIXING INSTRUCTIONS: Follow herbicide/pesticide manufacturer's labeled recommendations. Otherwise, Spreader910 may be used as shown on a per-100-gallon basis of final spray mix. Spreader910 nonionic surfactant should be the last ingredient added to the spray mixture. Agitate to insure thorough mixing. Always refer to the pesticide and additive label(s) for additional directions or precautions. Follow the most restrictive label.

USE RATES: Defoliants: 1 qt/100 gallons of water. Desiccants: 1 qt/100 gallons of water. Fungicides: 1 pt/100 gallons of water. Herbicides: 1 qt/100 gallons of water. Insecticides: 1 pt/100 gallons of water.

KEEP OUT OF REACH OF CHILDREN. WARNING: Causes eye irritation. Causes mild skin irritation. Harmful if inhaled. Read label before use. Keep container tightly closed. Keep only in original container. Do not breathe vapors or spray. Wash thoroughly after handling. Do not eat, drink or smoke when using this product. Wear protective gloves, protective clothing, and eye protection.

FIRST AID: Have the product container with you if calling a poison control center or doctor, or going for treatment. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses if present, then continue cautiously rinsing eye. If on skin or clothing: Remove contaminated clothing. Wash skin with soap and water. If skin irritation occurs: Get medical advice or attention. If swallowed: Unless advised otherwise by a poison control center or doctor, have person rinse mouth with water, if able. Do not give anything by mouth to an unconscious person. Do not induce vomiting. If inhaled: If breathing is difficult, remove person to fresh air and keep at rest in a position comfortable for breathing.

STORAGE AND DISPOSAL: Store in a well-ventilated place. Keep cool. Store locked up. Dispose of contents/container to a licensed hazardous-waste disposal contractor or collection site except for empty clean containers, which can be disposed of as non-hazardous waste.

CONDITIONS OF SALE: Seller warrants that the product contains the ingredients in the amounts stated on this label. THIS WARRANTY IS EXPRESSLY IN LIEU OF ALL OTHER WARRANTIES AND REPRESENTATIONS EXPRESSED, IMPLIED, OR STATUTORY, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR USE. Timing, rate and method of application, weather and other conditions, mixtures with chemicals not specifically recommended on this label or any accompanying written recommendation are beyond the control of Seller. Buyer assumes all risks of use, storage, and handling of this material not in strict accordance with directions given herewith. In no case is Seller liable for consequential, special, or indirect damages resulting from the use or handling of this product. Buyer further agrees in the event of damages arising from the use of this product to accept a replacement of the product or a refund of the purchase price of the product, at Seller's option, as full discharge of Seller's liability. No one is authorized to make any other warranty, guarantee, or directions concerning this product, and no such warranties, guarantees, or directions shall be valid or binding upon Seller.
