SHAKE WELL BEFORE USING • DO NOT STORE BELOW 32°F • **Net Contents: 2.5 Gallons**

LVD0320

GENERAL INFORMATION: Spreader910 is a nonionic surfactant adjuvant. It is designed to use with pesticides that require a nonionic surfactant. It may also be used with most insecticides, herbicides, fungicides, desiccants, and defoliants. Spreader910 increases contact activity through faster wetting, aids in penetration, and provides uniform coverage of sprays.

MIXING INSTRUCTIONS: Follow herbicide/pesticide manufacturer's labeled recommendations. Otherwise, Spreader910 may be used as shown on a per 100 gallon basis of final spray mix. Spreader910 nonionic surfactant should be the last ingredient added to the spray mixture. Agitate to insure thorough mixing. Always refer to the pesticide and additive label(s) for additional directions or precautions. Follow the most restrictive label.

USE RATES (GROUND/AERIAL): **Defoliants:** 1 qt/100 gal of water. **Desiccants:** 1 qt/100 gal of water. **Fungicides:** 1 pt/100 gal of water. **Herbicides:** 1 qt/100 gal of water. **Insecticides:** 1 pt/100 gal of water.

CONTAINS NONYLPHENOXYPOLY(ETHYLENEOXY)ETHANOL (9EO)

WARNING: Causes eye irritation. Wash thoroughly after handling. Wear protective gloves, protective clothing, eye protection, and face protection. **If in eyes:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice or attention. See safety data sheet for further details regarding the safe use of this product.

STORAGE AND DISPOSAL: Do not contaminate water, food, or feed by storage and disposal. Store in a cool, dry, locked area out of the reach of children. Protect from excessive heat or cold. Triple-rinse and dispose of container in accordance with local, state, and federal regulations.

CONDITIONS OF SALE: Seller warrants that the product contains the ingredients in the amounts stated on this label. THIS WARRANTY IS EXPRESSLY IN LIEU OF ALL OTHER WARRANTIES AND REPRESENTATIONS EXPRESSED, IMPLIED, OR STATUTORY, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR USE. Timing, rate and method of application, weather and other conditions, mixtures with chemicals not specifically recommended on this label or any accompanying written recommendation are beyond the control of Seller. Buyer assumes all risks of use, storage, and handling of this material not in strict accordance with directions given herewith. In no case is Seller liable for consequential, special, or indirect damages resulting from the use or handling of this product. Buyer further agrees in the event of damages arising from the use of this product to accept a replacement of the product or a refund of the purchase price of the product, at Seller's option, as full discharge of Seller's liability. No one is authorized to make any other warranty, guarantee, or directions concerning this product, and no such warranties, guarantees, or directions shall be valid or binding upon Seller.

FREEZING TEMPERATURE: 32° Fahrenheit (protect from freezing)

WEIGHT PER GALLON: 8.56 Pounds
