GENERAL INFORMATION: KwikPower is a formulation of Nitrogen, Potassium Acetate, organic acids, and vegetal protein hydrolysates. It is especially effective during rapid growth periods and fruit development when Potassium utilization is greatest. KwikPower can be used on any crop that requires Potassium.

MIXING INSTRUCTIONS: Put 1/3 to 2/3 of total water volume in tank. **1.** Add pesticide(s) if desired and agitate until thoroughly mixed. **2.** Add KwikPower and agitate until thoroughly mixed. **3.** Add adjuvant(s) if desired and agitate until thoroughly mixed. Fill tank with remainder of desired water. A jar test is recommended for evaluating compatibility of KwikPower with other product mixtures.

USE RATES: **Corn:** 1–2 qt/acre at V4–VT. **Soybeans:** 1–2 qt/acre at V3–R3. **Cereal Grains:** 1–2 qt/acre at stage 2 to stage 8. KwikPower can also be applied at stage 10.1 to 10.5. **Fruiting Vegetables:** 1–4 qt/acre per application as part of a regular spray program. **Leafy Vegetables:** 1–4 qt/acre per application as part of a regular spray program. **Ornamentals:** 1–2 qt/100 gallons of water. Apply applications of KwikPower as often as needed. Cover foliage thoroughly to the point of runoff.

WARNING: Causes skin irritation. Causes serious eye irritation. May cause respiratory irritation. Wash face, hands, and any exposed skin thoroughly after handling. Wear protective gloves, protective clothing, eye protection, and face protection. Avoid breathing dust, fumes, gas, mist, vapors, and spray. Use only outdoors or in a well-ventilated area. **If in eyes:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. **If eye irritation persists:** Get medical advice and attention. **If on skin:** Wash with plenty of soap and water. **If skin irritation occurs:** Get medical advice and attention. Take off contaminated clothing and wash before reuse. **If inhaled:** Remove victim to fresh air and keep at rest in a position comfortable for breathing. Call a POISON CENTER or doctor/physician if you feel unwell.

Storage and disposal: Store in a well-ventilated place. Keep container tightly closed. Store locked up. Dispose of contents/container to an approved waste disposal plant. See safety data sheet for further details regarding the safe use of this product.

CONDITIONS OF SALE: Seller warrants that the product contains the ingredients in the amounts stated on this label. THIS WARRANTY IS EXPRESSLY IN LIEU OF ALL OTHER WARRANTIES AND REPRESENTATIONS EXPRESSED, IMPLIED, OR STATUTORY, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR USE. Timing, rate and method of application, weather and other conditions, mixtures with chemicals not specifically recommended on this label or any accompanying written recommendation are beyond the control of Seller. Buyer assumes all risks of use, storage, and handling of this material not in strict accordance with directions given herewith. In no case is Seller liable for consequential, special, or indirect damages resulting from the use or handling of this product. Buyer further agrees in the event of damages arising from the use of this product to accept a replacement of the product or a refund of the purchase price of the product, at Seller's option, as full discharge of Seller's liability. No one is authorized to make any other warranty, guarantee, or directions concerning this product, and no such warranties, guarantees, or directions shall be valid or binding upon Seller.
