GENERAL INFORMATION: Iron5% is a product designed to prevent and correct iron deficiencies in crops. It can be applied to the soil or as a foliar spray. Application rates should be based on the specific deficiency, and for optimal results, follow sound agronomic practices, including soil testing and tissue analysis.

MIXING INSTRUCTIONS: Put 1/3 to 2/3 of total water volume in tank. **1.** Add pesticide(s) if desired and agitate until thoroughly mixed. **2.** Add Iron5% and agitate until thoroughly mixed. **3.** Add adjuvant(s) if desired and agitate until thoroughly mixed. Fill tank with remainder of desired water. A jar test is recommended for evaluating compatibility of Iron5% with multiple product mixtures. Optimum results with this product is obtained if the pH of the tank mix is between 5 and 6.

USE RATES: **Broadcast:** 2–8 qt/acre. **Foliar:** 1–4 qt/acre.

CAUTION: DO NOT spray Iron5% within 30 days after application of any copper containing products. DO NOT store mixed product for more than 8 hours. DO NOT mix or apply in combination with Calcium containing products, amine herbicides, Copper containing fungicides, sulfates, phosphates, phosphonates, and highly alkaline materials, such as lime Sulphur, MCPA or highly alkaline Boron products. DO NOT exceed the appropriate application rates.

KEEP OUT OF THE REACH OF CHILDREN. WARNING: Harmful if swallowed. Causes skin and serious eye irritation. Do not eat, drink or smoke when using this product. Wash face, hands and skin thoroughly after handling. Wear protective gloves and clothing, eye protection and face protection. Take off contaminated clothing and wash before reuse. **If swallowed:** Immediately call a POISON CENTER or doctor. Rinse mouth. **If on skin:** Gently wash with plenty of soap and water. **If in eyes:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. **If skin or eye irritation occurs:** Get medical advice.

STORAGE AND DISPOSAL: Store product in original container. DO NOT store in excessive cold or heat or direct sunlight. DO NOT re-use container. DO NOT contaminate water, food or feed by storage or disposal. Keep packaging closed, securely fastened and upright. Triple rinse or equivalent and dispose of container in accordance with local, state and federal regulations.

CONDITIONS OF SALE: Seller warrants that the product contains the ingredients in the amounts stated on this label. THIS WARRANTY IS EXPRESSLY IN LIEU OF ALL OTHER WARRANTIES AND REPRESENTATIONS EXPRESSED, IMPLIED, OR STATUTORY, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR USE. Timing, rate and method of application, weather and other conditions, mixtures with chemicals not specifically recommended on this label or any accompanying written recommendation are beyond the control of Seller. Buyer assumes all risks of use, storage, and handling of this material not in strict accordance with directions given herewith. In no case is Seller liable for consequential, special, or indirect damages resulting from the use or handling of this product. Buyer further agrees in the event of damages arising from the use of this product to accept a replacement of the product or a refund of the purchase price of the product, at Seller's option, as full discharge of Seller's liability. No one is authorized to make any other warranty, guarantee, or directions concerning this product, and no such warranties, guarantees, or directions shall be valid or binding upon Seller.
