Shake Well Before Using

GENERAL INFORMATION: MagPower is a product designed to address Magnesium deficiencies in all crops. MagPower provides an effective way to boost Magnesium levels in plants.

MIXING INSTRUCTIONS: Put 1/3 to 2/3 of total water volume in the tank. **1.** Add pesticide(s) if desired and agitate until thoroughly mixed. **2.** Add MagPower and agitate until thoroughly mixed. **3.** Add adjuvant(s) if needed and agitate until thoroughly mixed. Fill tank with remainder of desired water. A jar test is recommended for evaluating the compatibility of MagPower with multiple product mixtures. **NOTICE: Do not mix with fertilizers containing Phosphorus.** Check compatibility with chemical mixtures that include high phosphate and alkaline (high pH) solutions.

USE RATES: Broadcast: 2–4 qt/acre via drip or sprinkler irrigation. **General Use for all Field Crops, Berries, and Vegetables:** 1–4 qt/acre per application. Begin first application at bloom. Make 3–6 applications through the season up to harvest or until the crop has sufficient levels of Magnesium. Dilute in an adequate amount of water for thorough coverage. **Tree Fruit:** 1–4 qt/acre per application. Begin first application at petal fall. Make 3–6 applications through the season up to harvest or until the crop has a sufficient level of Magnesium. Dilute in an adequate amount of water for thorough coverage. **Ornamentals:** 1–2 qt/100 gallons of water. Apply until the crop has a sufficient level of Magnesium. Cover foliage thoroughly to the point of runoff.

KEEP OUT OF THE REACH OF CHILDREN. WARNING: Causes skin irritation. Causes serious eye irritation. May cause respiratory irritation. Wash face, hands and any exposed skin thoroughly after handling. Wear protective gloves/protective clothing/eye protection/face protection. Avoid breathing dust, fumes, gas, mist, vapors, or spray. Use only outdoors or in a well-ventilated area. **If in eyes:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists, get medical advice/attention. **If on skin:** Wash with plenty of soap and water. If skin irritation occurs, get medical advice/attention. Take off contaminated clothing and wash before reuse. **If inhaled:** Remove victim to fresh air and keep at rest in a position comfortable for breathing. Call a POISON CENTER or doctor/physician if you feel unwell. See safety data sheet for further details regarding the safe use of this product.

STORAGE AND DISPOSAL: Store in a well-ventilated place. Keep container tightly closed. Store locked up. Dispose of contents/container to an approved waste disposal plant.

CONDITIONS OF SALE: Seller warrants that the product contains the ingredients in the amounts stated on this label. THIS WARRANTY IS EXPRESSLY IN LIEU OF ALL OTHER WARRANTIES AND REPRESENTATIONS EXPRESSED, IMPLIED, OR STATUTORY, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR USE. Timing, rate and method of application, weather and other conditions, mixtures with chemicals not specifically recommended on this label or any accompanying written recommendation are beyond the control of Seller. Buyer assumes all risks of use, storage, and handling of this material not in strict accordance with directions given herewith. In no case is Seller liable for consequential, special, or indirect damages resulting from the use or handling of this product. Buyer further agrees in the event of damages arising from the use of this product to accept a replacement of the product or a refund of the purchase price of the product, at Seller's option, as full discharge of Seller's liability. No one is authorized to make any other warranty, guarantee, or directions concerning this product, and no such warranties, guarantees, or directions shall be valid or binding upon Seller.
