GENERAL INFORMATION: MegaPower MP can be used with a starter fertilizer, in-furrow, or in transplant water for any crop requiring Sulfur and Zinc. Corn is the most sensitive crop to low Zinc levels in the soil. MegaPower MP is fortified with Molybdenum, Sulfur, Zinc EDTA, vegetal protein hydrolysates, and Phosphorus-liberating microbes. MegaPower MP also consists of a dormant spore-based liquid that provides beneficial secretions to soil bacteria.

MIXING INSTRUCTIONS: Put 1/3 to 2/3 of total desired water volume in tank. **1.** Add pesticide(s) if desired and agitate until thoroughly mixed. **2.** Add desired amount of MegaPower MP and agitate until thoroughly mixed. **3.** Add adjuvant(s) if desired and agitate until thoroughly mixed. Fill tank with remainder of desired water. A jar test is recommended for evaluating compatibility of MegaPower MP with multiple product mixtures.

USE RATES: **Corn:** 2 qt/acre applied in-furrow or 2x2. Do not use less than a minimum of 2 gallons of carrier per acre. **Soybeans:** 2 qt/acre applied in-furrow or 2x2. Do not use less than a minimum of 2 gallons of carrier per acre. **Cereal Grains:** 2 qt/acre applied in-furrow. Do not use less than a minimum of 2 gallons of carrier per acre.

NOTICE: Application of fertilizers containing Molybdenum may result in forage crops that contain levels of Molybdenum that are toxic to ruminant animals.

WARNING: Causes skin irritation. Causes serious eye irritation. May cause respiratory irritation. Wash face, hands, and any exposed skin thoroughly after handling. Wear protective gloves, protective clothing, eye protection, and face protection. Avoid breathing dust, fumes, gas, mist, vapors, and spray. Use only outdoors or in a well-ventilated area. **If in eyes:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists, get medical advice and attention. **If on skin:** Wash with plenty of soap and water. If skin irritation occurs, get medical advice and attention. Take off contaminated clothing and wash before reuse. **If inhaled:** Remove victim to fresh air and keep at rest in a position comfortable for breathing. Call a POISON CENTER or doctor/physician if you feel unwell.

STORAGE AND DISPOSAL: Store in a well-ventilated place. Keep container tightly closed. Store locked up. Dispose of contents/container to an approved waste disposal plant. See safety data sheet for further details regarding the safe use of this product.

CONDITIONS OF SALE: Seller warrants that the product contains the ingredients in the amounts stated on this label. THIS WARRANTY IS EXPRESSLY IN LIEU OF ALL OTHER WARRANTIES AND REPRESENTATIONS EXPRESSED, IMPLIED, OR STATUTORY, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR USE. Timing, rate and method of application, weather and other conditions, mixtures with chemicals not specifically recommended on this label or any accompanying written recommendation are beyond the control of Seller. Buyer assumes all risks of use, storage, and handling of this material not in strict accordance with directions given herewith. In no case is Seller liable for consequential, special, or indirect damages resulting from the use or handling of this product. Buyer further agrees in the event of damages arising from the use of this product to accept a replacement of the product or a refund of the purchase price of the product, at Seller's option, as full discharge of Seller's liability. No one is authorized to make any other warranty, guarantee, or directions concerning this product, and no such warranties, guarantees, or directions shall be valid or binding upon Seller.
